

Elementary School Spanish-language supports

Amplify Science is committed to providing support to meet the needs of all learners, and includes multiple access points for Spanish-speaking students. Developed in conjunction with Spanish-language experts and classroom teachers, multiple components are available in Spanish across the Amplify Science curriculum.

Student books from the *Balancing Forces* unit.

Spanish-language print materials

Amplify Science users can purchase Spanish-language resource packages which include one Student Investigation Notebook, one unit materials notebook, 18 copies of each of the Student Book titles, and the printed classroom materials. Additional Student Investigation Notebooks can be purchased.
