NUMBER: MEM-051137.1

ISSUER: Alison Yoshimoto-Towery

Division of Instruction

DATE: August 7, 2019

PURPOSE: The purpose of this memorandum is to provide information about the administration of the elementary literacy assessments in the Amplify Reading 3D suite: Dynamic Indicators of Basic Early Literacy Skills (DIBELS 8), Indicadores Dinámicos del Éxito en la Lectura (IDEL) 7^a Edición, and Text Reading and Comprehension (TRC).

MAJOR CHANGES: This memorandum replaces MEM-051137.1, *Elementary Literacy Assessments: Dynamic Indicators of Basic Early Literacy Skills, Indicadores Dinámicos del Éxito en la Lectura, Text Reading Comprehension (DIBELS Next/IDEL/TRC)*, dated June 18, 2018. The major changes include:

- The DIBELS enhancement, DIBELS 8, is replacing DIBELS Next to assess literacy proficiency.
- All Kindergarten, first-grade, and second-grade students are to be assessed with DIBELS 8 at end-of-year (EOY), as these data are required by the L.A. Unified Local Control Accountability Plan (LCAP) Scorecard and for accountabilities under the *Realizing the Promise for All, Close the Gap by 2023!* Board Resolution.
- DIBELS 8 includes Word Reading Fluency beginning with Kindergarten beginning-of-year (BOY).
- Discontinue rules in DIBELS 8 reduce assessment time for both teacher and student.
- An updated glossary of terms is included on page 7.

GUIDELINES: **I. ASSESSMENT GUIDELINES (SEE ATTACHMENT A-2 FOR A SUMMARY FLOWCHART)**

A. All students K-5/6 must be assessed with a literacy benchmark measure at least three times per year, BOY, MOY, and EOY to monitor literacy progress.

MEMORANDUM

- B. Primary Grades K-2 will use DIBELS 8 to assess foundational skills in literacy. TRC is an optional, additional assessment that provides a detailed analysis of literacy skill, including miscue analysis and comprehension.
- C. Students in Grades 3-5/6 will be assessed using DIBELS 8 and/or TRC to monitor literacy progress. English Learners (ELs) and students with disabilities (SWDs) must take DIBELS 8.
- D. TK students do not need to be assessed with DIBELS 8. Teachers continue to have access to all assessments in Reading 3D.
 - 1. TK teachers are encouraged to assess their students with Amplify Oral Language Screener (OLS) at BOY, MOY, and EOY as an appropriate measure to monitor student development of oral language.
 - 2. *Note:* For the limited number of students in TK who meet the multiple criteria for transitioning directly to first grade from TK, the DIBELS 8 EOY assessments are required. See REF-5777.5 *Transitional Kindergarten Implementation*.

II. ENGLISH LEARNERS (ELs)

- A. All English Learners (ELs) K-5 must be assessed using DIBELS 8 at BOY, MOY and EOY as part of the reclassification criteria. For information on reclassification of EL students see BUL-5619.8.
- B. EL students in Grade 6 must be assessed using Reading Inventory (RI) at fall and/or spring as part of the reclassification criteria. For information on RI administration see MEM-6411.3.
- C. Schools must assess EL students using primary language supports such as those used in daily instruction, including translation of the assessment directions in the student's primary language by a teacher fluent in the student's primary language.
- D. Schools may assess primary language literacy using IDEL for Spanish speaking newcomer English Learners or TRC Spanish. All schools have access to both IDEL and TRC Spanish.

III. STUDENTS WITH DISABILITIES (SWDs)

- A. All SWDs in grades K-6 with mild/moderate disabilities participating in the District's core curriculum will take DIBELS 8 at their assigned grade level at BOY, MOY, and EOY to determine student literacy levels and progress with IEP goals.
- B. In addition to DIBELS 8, TRC may be administered to determine the comprehension skills, fluency miscue analysis, and instructional reading level of students. These assessments must be given in accordance with the accommodations specified in the IEP or Section 504 Plan.
- C. DIBELS 8 and TRC are not to be used with deaf students (DEA) or blind/severely visually impaired students (VI). Some hard-of-hearing students and/or visually impaired *may* be able to be assessed with DIBELS 8 or TRC. However, decisions regarding the use of these

LOS ANGELES UNIFIED SCHOOL DISTRICT

MEMORANDUM

assessments will be made by the IEP team and will depend on the severity of the student's hearing and/or vision loss.

- D. Students with moderate/severe disabilities participating in the District alternate curriculum are not required to participate in the administration of either DIBELS 8 or TRC.

IV. DUAL LANGUAGE EDUCATION (DLE) PROGRAMS

- A. Based on program model, all students (EL, EO, IFEP/RFEP) in Dual Language Two-Way Immersion (TWI), Dual Language One-Way Immersion (OWI), and World Language Immersion (WLI) programs will be assessed with DIBELS 8 to measure English proficiency.
1. **Kindergarten and Grade 1** students in 90/10 TWI and 70/30 OWI will only participate in target language assessment, such as IDEL or TRC Spanish for Spanish dual language program students.
- B. To measure Spanish proficiency, students will be assessed using IDEL or TRC Spanish, which has been added to the available assessments within the Amplify platform in 2019-2020. Note: IDEL enhancements are currently underway by the University of Oregon. Some schools may participate in a pilot of the revised measures during the 2019-2020 school year.

See the following attachments for chart overviews and scheduling of assessments by grade level.

VII. USING RESULTS TO INFORM INSTRUCTION

DIBELS 8, IDEL, and/or TRC data reports and resources are to be used to implement a multi-tiered system of supports (MTSS) in literacy, based on a problem-solving process to drive decision making, in order to best match instruction to the needs of students. L.A. Unified's Early Language and Literacy Plan (ELLP) provides resources, supports and a framework for implementing MTSS in literacy. For ELLP resources, use this link

<https://tinyurl.com/early-literacy-resources>

- 1. Schools are encouraged to implement structures that allow for consistent analysis of data to support both vertical and horizontal articulation.
- 2. Schools are encouraged to implement structures that provide for on-going collaboration ensuring that diagnostic and progress monitoring data are used for instructional planning to meet the needs of all student groups.
 - DIBELS data supports the early identification and intervention for struggling readers, including those showing signs of dyslexia. Additional information on dyslexia can be found at <https://achieve.lausd.net/dyslexia>.
 - DIBELS data may reveal student use of Standard English Learner

LOS ANGELES UNIFIED SCHOOL DISTRICT

MEMORANDUM

- (SEL) linguistic features, requiring early intervention and academic language development. Contrastive analysis and other mainstream English language development (MELD) resources can be found at <https://achieve.lausd.net/Page/191#spn-content>.
- DIBELS data can be used to support differentiation to meet the specific needs of English learners (ELs), taking into account their primary language. The EL Support guides at <https://achieve.lausd.net/Page/12059#spn-content> provide additional resources for ELs.
 - To measure and support the biliteracy trajectory of students in Dual Language Education Programs, target language and English proficiency data should be analyzed concurrently. Additional resources for dual language education programs are available at <https://achieve.lausd.net/apolo#spn-content>.
3. DIBELS data is used for the following District accountabilities:
 - The percentage of kindergarten and second grade students scoring Benchmark and Above-Benchmark is included on the Local Control Accountability Plan (LCAP) Scorecard.
 - The percentage of first-grade and third grade students scoring Benchmark and Above-Benchmark is included in the *Realizing the Promise for All: Close the Gap by 2023!* Board resolution.
 4. Schools are encouraged to Aim for Blue (see Attachment B, Aim for Blue Infographic) on DIBELS as students, especially kindergarteners, who reach the blue, Above-Benchmark, level are 90% likely to retain proficiency in literacy in subsequent years.
 5. All students who have a composite score of Below Benchmark (BB) or Well Below Benchmark (WBB) on their benchmark assessment should be progress monitored per the recommended guidelines. Progress monitoring recommendations can be found at <https://www.amplify.com/lausd/>. It is recommended that students in the lower benchmark range, often called “fragile” benchmark students, are also progress monitored in the primary area of concern.
 6. DIBELS 8 provides enhanced diagnostic skills-based data. For more information on the DIBELS 8 features, review the online module on MyPLN, keyword: DIBELS Enhancements.
For some students, additional assessments may be warranted to better determine areas for targeted intervention support. The following assessment resources are available for use:

 - [Core Phonics Survey](#)
 - [Guided Reading and Lexile Level Alignment - TRC](#)
 - [Benchmark Advance Diagnostic Assessment](#)

7. School assessment schedules should consider all assessments included in the MEM-6700.3, *2019-2020 L.A. Unified Comprehensive Assessment Program*, dated May 17, 2019, and REF-072101, *2019-20 State and National Mandated Testing Calendars*, dated May 17, 2019, to develop an assessment schedule that allows for the analysis of assessment data and the planning of connected instruction.
8. Schools have access to a variety of “Now What Tools” connected to DIBELS 8. The following resources may be downloaded from: lausd.mclasshome.com → Now What Tools:
 - Item Level Advisor: Lessons based on individual test scores for individual students
 - Small Group Advisor: Grouping suggestions based on students’ performance on specific DIBELS measures
 - Core Program Connection: Week-by-week lessons connected to unit
 - Lessons with instructional focus on one of the basic early literacy skills
 - Home Connection letters in English and Spanish inform parents how to support their children at home with the literacy focus identified in assessment results
9. Schools who purchase or have received licensing for Amplify: BURST may also access intervention lessons tailored to the instructional need indicated by the student’s assessment results. For BURST product purchase information or to inquire about existing district purchased school licenses: [http://www.amplify.com/assets/pdf/BurstReadingPricingV1_\(1\).pdf](http://www.amplify.com/assets/pdf/BurstReadingPricingV1_(1).pdf) or contact Alison Pickering, Elementary Literacy Coordinator alison.pickering@lausd.net or (213) 241-5333.
10. DIBELS 8 data is not to be used to determine progress report marks, and DIBELS 8 data will not automatically populate into the LMS online (Schoology) gradebook.

Assessment Descriptions

DIBELS 8 K-5/6 is a set of measures specifically designed to quickly and reliably assess the reading foundational skills articulated in the California ELA standards: phonemic awareness, alphabetic principle, fluency with connected text, and comprehension.

IDEL 7^a Ed. K-3 is the Spanish version of DIBELS Next, and is used in Dual Language Spanish programs. IDEL is available at all schools, to assess primary language literacy of Spanish speaking newcomer students.

TRC K-5/6 electronically captures “running record” data, as well as measuring student reading comprehension via a combination of oral and written questions requiring evidence from the text. (*Written questions are optional and not part of the evaluative formula.*) TRC supports guided reading by establishing an instructional reading level, and provides resources to strengthen students’ reading comprehension and competency. TRC provides the means to perform miscue analysis regarding students’ use of meaning, structural, and visual cues in reading. Finally, TRC supports the CA Standards expectations of careful examination of the text, reading closely to draw evidence and knowledge from the text, and reading across a range of complex texts. For 2019-2020, TRC will be available in Spanish.

Amplify Oral Language Screener (OLS) (TK-2) is an optional additional resource in Grades TK–2 to efficiently identify struggling students and monitor oral language progress. This assessment supports the CA ELA/Literacy Content Standards in Language and Speaking & Listening. TK teachers are encouraged to assess students with OLS at BOY, MOY, and EOY.

Los Angeles Unified School District DIBELS - AIM FOR BLUE

The Division of Instruction partnered with Amplify (providers of mCLASS: DIBELS Next) to analyze Kindergarten students' reading progress. The findings show that 90% of kindergarteners who scored Above Benchmark (End-of-Year) maintained Benchmark or above through the end of 3rd grade.

Students who reach "BLUE" by the end of Kindergarten are significantly less likely to need intervention when they return the following year and are more likely to remain on track as they progress through first and second grade and beyond.

90%
Likely

doi
Division of Instruction
Los Angeles Unified School District

50%
Likely

Kindergarten students who are Above Benchmark at the end of the school year have a **90%** chance of starting first grade Benchmark or higher.

Kindergarten students who are Benchmark at the end of the school year have a **50%** chance of starting first grade Benchmark or higher.

Getting kids to Above Benchmark by the end of Kindergarten creates more durable learning. Skills and fluency at this level are not easily lost. This stands true for all grades.
