Reflection: Teaching remotely last year

One challenge, problem, or roadblock you or your students experienced		
Two successes in your teaching		
Three things you learned or new insights		
Three things you learned of new insights		
Vision setting		
Beginning of the session: Based on your reflection, set a vision for science this year. What do you hope your students will get out of science time?		
End of the session: Reflect on our work today. How will your plan for using Amplify Science@Home help you reach the vision you set?
