

To assess students with IDEL 1.0:

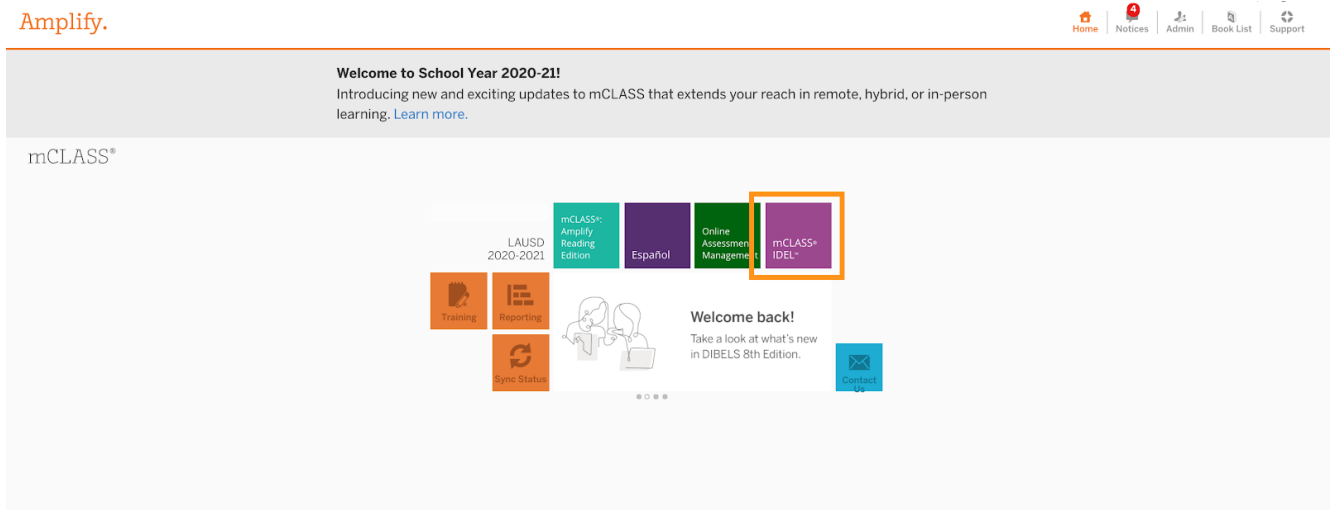

1. Select the **mCLASS Assessment** app from Schoology.
2. Click on the **Español** tab.
3. From this tab, click the name of the student that you will assess.
4. Under the student name, you click on the link to the IDEL Screener. This link will navigate you away from the DIBELS 8 platform to where you can assess the student's required IDEL measures.

The screenshot shows the mCLASS app interface. At the top, there is a 'Menu' icon, the 'mCLASS' logo, and a 'Teacher name | Log Out' link. Below the logo, it says 'Grade 3 Beginning of Year 08/13/20 - 10/23/20' and a 'Sync' button. The main navigation bar has 'Reading', 'Español' (highlighted with an orange box), and 'Math' tabs. Below this, there is a 'Grade 3' dropdown menu. The table below has columns 'TRC' and 'Nombre'. It lists five students: Student A, Student B, Student C, Student D, and Student E, each with a dropdown arrow on the right.

This screenshot shows the mCLASS app interface with 'Student A' selected. The 'Español' tab is still selected. Below the student name, there is an 'IDEL' section. Inside this section, the 'IDEL Screener' link is highlighted with an orange box. Below the IDEL section, there is a table with columns 'TRC', 'BOY', 'MOY', and 'EOY'. The first row is 'Comprensión lectora TRC', which has an 'Evaluar' button (a blue square with a white icon of a hand pointing to a screen) in the 'BOY' column. Below this table, 'Student B' is partially visible.

- The Español tile will only contain reporting for the new Spanish assessment measures. IDEL 1.0 data will not appear here.
