

Using **ESSER III** funds for learning recovery and acceleration with Amplify

In March 2021, Congress passed ARP, known as ESSER III, which made \$122B available for K–12 districts and schools. Six spending categories from ESSER III align with Amplify programs and trainings.

For a full list of allowable uses, please review [this document](#) from the U.S. Department of Education.

Allowable use #2

Activities that support federal requirements, including ESEA; Title I, II, III, and IV

Allowable use #4

Activities to address the unique needs of at-risk students

Allowable use #9

Edtech software to support online learning

Allowable use #11

Summer school and after-school summer programs for at-risk and minority students

Allowable use #12

Addressing learning recovery among at-risk students

Allowable use #16

Activities that are necessary to maintain the operation and continuity of LEA services

Amplify is an allowable expense.

All Amplify programs and trainings meet these six requirements:

Using **ESSER II** funds for learning recovery and acceleration with Amplify

In December 2020, Congress passed the CRRSA Act, known as ESSER II, which made \$54B available for K–12 districts and schools. Seven spending categories from ESSER II align with Amplify programs and trainings.

For a full list of allowable uses, please review [this document](#) from the U.S. Department of Education.

Allowable use #1
