

# Professional Learning Workshop

## New York City Department of Education

**Title:** Amplify Science Planning for Next Year: Administrators' Session

**Session Description:** In this session, administrators will reflect on the implementation of Amplify Science in their schools during the 2020-21 school year. They will use their reflections to begin planning for the 2021-22 school year.

**Recommended Audience:** NYC administrators

### Session Outcomes:

Participants will be able to:

- Reflect on their school's implementation of Amplify Science in the targeted areas of digitally-enhanced learning, supporting diverse learners, & disciplinary literacy.
- Utilize these reflections to collaborate on focused revisions for an Amplify Science Multimodal look-for tool
