

Professional Learning Workshop

New York City Department of Education

Title: Amplify Science Planning for Next Year: Instructional Leads Session

Session Description: In this session, participants will reflect on the implementation of Amplify Science in their borough during the 2020-21 school year. They will use their reflections to begin planning for the 2021-22 school year.

Recommended Audience: NYC Instructional Leads

Session Outcomes:

Participants will be able to:

- Reflect on their borough's implementation of Amplify Science in the targeted areas of digitally-enhanced learning, supporting diverse learners, & disciplinary literacy.
- Utilize these reflections to collaborate on focused revisions for an Amplify Science Multimodal look-for tool
