

Professional Learning Workshop

New York City Department of Education

Title: Amplify Science Planning for Next Year: Teacher Session

Session Description: In this session, participants will reflect on their implementation of Amplify Science in the 2020-21 school year. They will use their reflections to begin planning for the 2021-22 school year.

Recommended Audience: Returning teachers who have attended an orientation training or have taught Amplify Science this past school year.

Session Outcomes:

Participants will be able to:

- Reflect on their implementation of Amplify Science in the targeted areas of digitally-enhanced learning, supporting diverse learners, & disciplinary literacy.
- Utilize these reflections to begin targeted planning at the unit & lesson level for the upcoming school year.

Agenda:

- Framing the day
 - Welcome and introductions
 - Anticipatory activity
- Targeted Implementation Reflection
 - Digitally-enhanced learning
