

AMPLIFY CAMINOS LECTOESCRITURA

Scope and Sequence

Amplify Caminos Lectoescritura teaches students the decoding skills needed for independent reading. Each lesson begins with a warm-up, reviewing previously taught content in phonics, reading, grammar, writing, and spelling.

This Scope and Sequence is not final and is subject to change while Amplify Caminos Lectoescritura is in active development. This document is provided by Amplify solely for review by educators in school districts that are participating in the Amplify Caminos Lectoescritura early release implementation. This document is considered confidential and any distribution or reproduction of this document is forbidden without written permission from Amplify.
