Happy summer
from Amplify!

Summer has arrived! Have you taken a moment to celebrate all that you've accomplished this past school year?

We hope you can take advantage of some down time to relax, rejuvenate, and enjoy this season of sunshine and much-needed recreation! In that spirit, we're going to have some fun in this month's newsletter—we'll be back in full swing next month to support you as you prepare for the new school year.

Whatever it is you love to do to re-energize and have fun, we hope you enjoy plenty of it in the weeks ahead! Let's dive in with this [summer checklist](#) full of tips to recharge.

Calendar

FALL '22

Back to Basics
Amplify.

Save the date: Back to Basics series

Join Amplify experts as we walk you through the key things you need to know to get started with Amplify Science. This three-part series is for everyone! Whether this is your first or fourth year with Amplify, you'll walk away having learned something new.

- Session 1: Tuesday, July 26, 3-4 p.m. ET
- Session 2: Tuesday, August 9, 6-7 p.m. ET
- Ask the Experts: Tuesday, August 23, 6-7 p.m. ET

Mark your calendar!

Getting ready for next year

As we break for the summer, we know some of you will be eager to get into your curricular materials and start preparing for the next year. Perhaps you're new to your content, new to Amplify Science, or simply have a lot of ideas and want to get started. Here are some things we recommend you do to get started using the [NYC Resources site](#) and other linked resources.

- Review your grade(s)'s scope and sequence.
- Dive into your first unit's Teacher Guide and begin to get familiar with it.
- Use the [Science Help Center](#) to ask questions along the way.

Advice and answers

Summer life hacks

Summer has a way of becoming both fun and chaotic! [Check out this article](#) full of tips to make your life easier as you plan your warm-weather outings.

Beat the heat

Make a sweet treat this summer to cool down. Try these [three-ingredient fruit and yogurt popsicles](#) for a refreshing way to satisfy your sweet tooth!

Let's connect

We invite you to collaborate with other educators in our [Amplify Science Facebook community](#). Share your photos or ideas on how you're recharging this summer. **Spoiler alert:** You just might stumble on a few fun contests and get in on some giveaways in the year ahead too.
