5 To access groups select Classes from the left side menu.
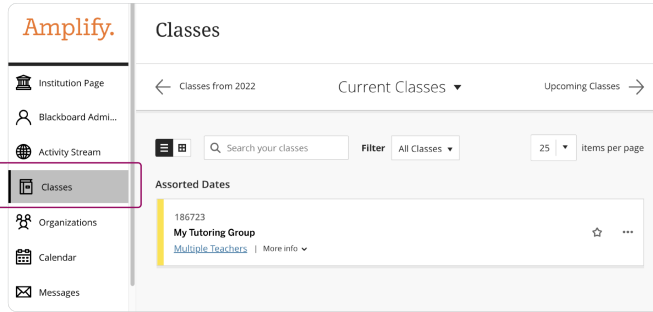

6 Select the group name to open the tutoring group.
Click the box with your tutoring group's name. Can't find it? Confirm you are on the Classes page. The group name should match the group name in the email you received.
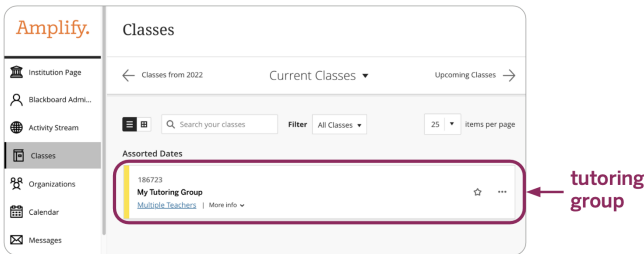

7 Click "Join session" under "Blackboard Collaborate".
The session join link is only available between the start and end of session—
click refresh if you don't see the session join link when your tutoring session starts.
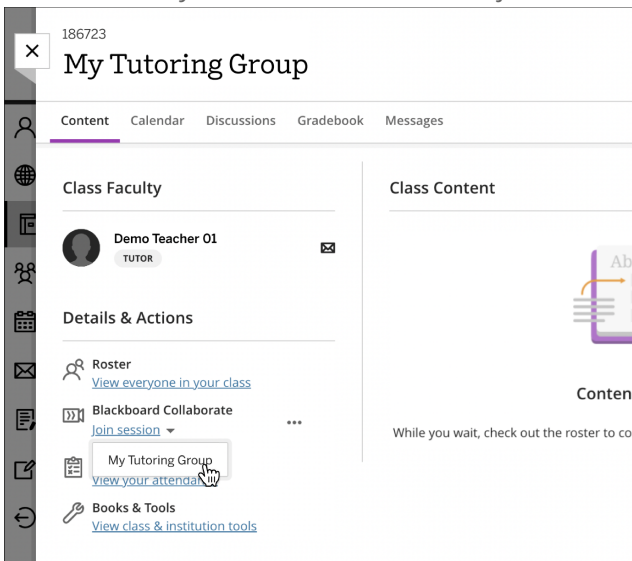

8 Click your tutoring group name in the dropdown.
In this example, the group name is "My Tutoring Group", yours will be formatted with the grade_time_HBT_group, for example. G2_400_HBT_Group3

Sample Tutoring Group name:

grade_time_HBT_group#
