

## QCD/IMET Citation guidance

	Citation phrase	Example image	How to get there
1	Grade [number], [ <i>Unit Name</i> ] unit		Log into learning.amplify.com using the provided reviewer credentials. Select the grade level listed in the citation from the drop down, then select the unit name listed in the citation.
2	Unit Overview page		Select any unit from a respective grade level page (see row 1)
3	Unit Overview		Navigate to the respective unit's Unit Overview page (see row 2), then select the <b>Unit Overview</b> section within the menu on the left-hand side.

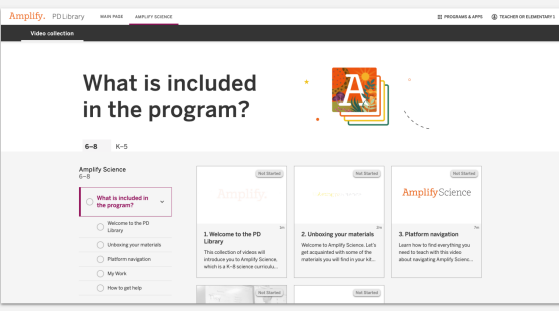

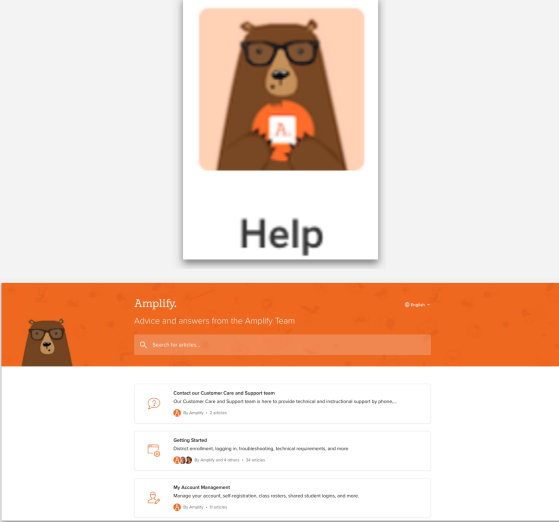

<p>4</p>	<p><b>Resource title</b> (under Printable Resources)</p>		<p>Navigate to the respective unit's <b>Unit Overview</b> page (see row 2), then select the <b>Printable Resources</b> section. Click on the respective resource(s) (which will be bolded in the citation).</p>
<p>5</p>	<p><b>Resource title</b> (under Planning for the Unit)</p>		<p>Navigate to the respective unit's Unit Overview page (see row 2), then expand the <b>Planning for the Unit</b> section within the menu on the left-hand. Select the respective resource(s) (which will be bolded in the citation) from the submenu underneath Planning for the Unit.</p>
<p>6</p>	<p><b>Resource title</b> (under Teacher References)</p>		<p>Navigate to the respective unit's Unit Overview page (see row 2), then expand the <b>Teacher References</b> section within the menu on the left-hand. Select the respective resource(s) (which will be bolded in the citation) from the submenu underneath Teacher References.</p>
<p>7</p>	<p>Lesson [number]</p>		<p>Navigate to the respective unit's <b>Unit Overview</b> page (see row 2), then scroll to our select <b>Chapters</b> from the left-hand menu. Scroll within the Chapters section to find the lesson listed in the citation, then select it to open the lesson.</p>

<p><b>8</b></p>	<p>Lesson [number], <b>Overview</b> <b>Materials &amp; Preparation</b> <b>Differentiation</b> <b>Standards</b></p>		<p>Navigate to the <b>lesson</b> (see row 7), then select the specified section of lesson information from the <b>left-hand menu</b>.</p> <p>Note: if the lesson is listed by itself, all of the lesson information should be reviewed, including all activities (see row 10).</p>
<p><b>9</b></p>	<p><b>Resource title</b> (under Digital Resources)</p>		<p>Navigate to the <b>lesson</b> (see row 7), then select the specified resource from the <b>Digital Resources</b> area on the right-hand side.</p>
<p><b>10</b></p>	<p>Lesson [number], <b>Activity [number]</b></p>		<p>Navigate to the lesson (see row 7), then select the activity in the <b>Activity Ribbon</b> under the lesson image. Scroll past the <b>Instructional Guide</b> to see what students will experience on the student platform. When an activity has multiple steps, click through each of them using the <b>numbered buttons</b> at the bottom of the page.</p> <p>Note: if no activity is specified in the citation, all activities should be reviewed.</p>

			
<p><b>11</b> Lesson [number], Activity [number] (including <b>Teacher Support notes</b>)</p>			<p>Navigate to the listed activity's section of the lesson (see row 10), then click the <b>Teacher Support</b> tab.</p>

Click on the <b>On The Fly Assessment button</b> to view assessment interpretation information.</p>

<p><b>13</b></p>	<p>Programs &amp; Apps menu</p>		<p>Click the <b>Programs &amp; Apps</b> icon from the bar along the top of the screen when logged in.</p>
<p><b>14</b></p>	<p>Library</p>		<p>Open the <b>Programs &amp; Apps</b> menu (see row 13), then scroll to the <b>Tools</b> section and select the icon labeled <b>Library</b>.</p> <p>Note: use the <b>search bar</b> and enter the title of the listed book.</p>
<p><b>15</b></p>	<p>Science Program Hub</p>		<p>Open the <b>Programs &amp; Apps</b> menu (see row 13), then scroll to the <b>Other Resources</b> section and select the icon labeled <b>Science Program Hub</b>.</p> <p>Note: use the <b>search bar</b> to find the specific document or section you are reviewing.</p>

<p><b>16</b> Science Program Guide</p>			<p>Open the <b>Programs &amp; Apps</b> menu (see row 13), then scroll to the <b>Other Resources</b> section and select the icon labeled <b>Science Program Guide</b>.</p> <p>Note: use the <b>left-hand outline</b> or the <b>search bar</b> to find the specific section you are reviewing.</p>
<p><b>17</b> PD Library</p>			<p>Open the <b>Programs &amp; Apps</b> menu (see row 13), then scroll to the <b>Other Resources</b> section and select the icon labeled <b>PD Library</b>.</p> <p>Note: Select <b>Amplify Science</b> from <b>Explore Programs</b>.</p>

		 <p>The screenshot shows the Amplify Science website interface. At the top, there's a navigation bar with 'Amplify Science' and 'PD Library'. Below that, a large heading reads 'What is included in the program?'. Underneath, there are three columns of content: '1. Welcome to the PD Library', '2. Unboxing your materials', and '3. Platform navigation'. A sidebar on the left contains a dropdown menu with 'What is included in the program?' selected, and several radio button options: 'Library', 'Unboxing your materials', 'Platform navigation', 'No idea', and 'How to get help'.</p>	
18	Help	 <p>The screenshot shows the Amplify Science Help page. At the top, there's a header with the Amplify Science logo and the text 'Advice and answers from the Amplify Team'. Below the header is a search bar. The main content area features three sections: 'Contact our Customer Care and Support team', 'Getting Started', and 'My Account Management'. Each section includes a brief description and a link to view more articles.</p>	<p>Open the <b>Programs &amp; Apps</b> menu (see row 13), then scroll to the <b>Other Resources</b> section and select the icon labeled <b>Help</b>.</p> <p>Note: use the <b>left-hand outline</b> or the <b>search bar</b> to find the specific section you are reviewing.</p>
